In order to graduate you must **register for graduation on Uniweb** by the deadline set for each graduation period.

The registration procedure is broken down into several steps and requires your supervisor to approve your dissertation title. In order to graduate:

- You must also **have completed and recorded all the examinations** of your study plan **at least 15 days before** the graduation dates.
- You must also **have paid the tuition fees** and have submitted your dissertation in accordance with the procedure and by the set deadlines. If you do not pay the revenue stamp for graduation, your student's records cannot be approved.

• **When to register for graduation:**

- i) To graduate in the **First period**, insert application from 8 November 2021 to 11 January 2022.
